New date

We have changed the Castle Douglas sale date to the week later, Friday 30th October. The original sale date clashed with a large annual sheep sale that many of our regular vendors normally attended and to try and allow as many members to sell their stock as possible we have changed the sale date so it doesn't coincide with the sheep sale.

Bull Inspections

As I am sure you will understand the Society will not be doing any bull inspection until the government restrictions allow us, obviously there will be no late fees charged if the bull is over age by the time we do get the inspection done. If you have a bull that will need inspecting please contact the office and we can make a list and can organise the inspection in due course. A list will allow us to be able to get the inspections done as quickly and efficiently as possible once restrictions have been suitably eased. The DNA lab is also closed at this time so we cannot process any hair samples.

A Message to you all

I am thinking of you in these unprecedented times
and I pray that you will remain safe and well.

With all my good wishes,

A handwritten signature in cursive script that reads "Alexandra".

Adverts—Stock For Sale

If you have stock for sale you can place an advert onto our Website and Facebook page, usually this would incur a small charge but from now until the end of May we will place any adverts you have free of charge. Please email your advert wording and up to 2 photos to the office and we shall get these put on for you.
